### **Explanatory Note**

(This does not form part of the notification but is intended to indicate its general purport.)

Chapter, XIX of the Kerala Municipality Building Rules, 1999, viz., the chapter on "Telecommunication Towers" deal with matters such as permits, set back requirements, safety aspects, use certificate, etc., of telecommunication towers or telecommunication pole structures or accessory rooms. However the time limit for issuing use certificate was not insisted along with. Non insistence of a time frame in issuing use certificate is causing inconvenience to cellular mobile operators. In this context, the Government consider it necessary to make further amendments to Kerala Municipality Building Rules, 1999.

This notification is intended to achieve the above purpose.
